Transaction dispute ● Free for confirmed fraud / Min CHF 25 for rejected case <sup>4</sup>

All virtual and physical cards can be used with Apple Pay and/or Google Pay.

<sup>1</sup> Applies whenever a replacement is requested by the client. Also charged when cards expire after 5 years and are automatically replaced.

<sup>2</sup> In addition to third party fee, if any.

<sup>3</sup> The account balance in the transaction currency must be sufficiently funded to cover the transaction. If not, Alpian will, on behalf of the client, automatically process an FX transaction to purchase the missing funds from the client's account with the highest balance.

<sup>4</sup> Minimum fee may be charged upfront and is subject to reimbursement if the transaction is subsequently confirmed as fraudulent. Dispute resolution is managed by VISA and is available for transactions exceeding CHF 50 or the equivalent in foreign currency.

## Incoming transfer <sup>5</sup>

### Account

CHF, EUR, USD, GBP

• Free

Incoming transfers in the following currencies AED, AUD, CAD, CNH, CZK, DKK, HKD, HUF, ILS, JPY, MXN, NOK, NZD, PLN, RON, SAR, SEK, SGD, TRY & ZAR, will be automatically converted and credited into the CHF account, the conversion rate effective at the time of transaction will be applied.

## Outgoing transfer <sup>5</sup>

Currency	Beneficiary account country	Fee <sup>6</sup> Account currency
CHF, USD, GBP	Within the currency zone	• Free
CHF, USD, GBP	Outside the currency zone	• 7
EUR	Eurozone (incl. SEPA) + Switzerland	• Free
EUR	Outside Eurozone or Switzerland	• 7
AUD DKK NOK PLN SEK CAD CZK HUF RON SGD	Within the currency zone	• 2
AUD DKK NOK PLN SEK CAD CZK HUF RON SGD	Outside the currency zone	• 7
Other eligible currencies	Anywhere	• 7

Beneficiary account country: for instance, if a payment in USD is performed in favor of an account held in a bank located in the USA, it will be considered as a payment "Within the currency zone", if a payment in USD is made in favor of an account held in another Swiss Bank, it will be considered as "Outside the currency zone".

The transaction fees are applied in the account currency, either CHF, EUR, USD or GBP, not in the transaction currency. For example, if an outgoing transfer in CAD to a bank located in Canada is requested using the EUR account, Alpian will debit EUR 2 on the EUR account for this transaction and not the equivalent in CAD.

The beneficiary bank might apply a fee on the receiving funds.

### Currency exchange

Indicative FX markups <sup>7</sup>

• 0.20% of the foreign currency transaction volume. Alpian does not take any commission

<sup>5</sup> Please be aware that when processing international payments, intermediary or correspondent banks may be involved. These banks might deduct fees from the payment before it reaches the final beneficiary, and the exact amount can vary based on the banks and countries involved. As a result, the beneficiary may receive less than the original amount sent. Alpian SA does not impose any additional fees beyond those outlined in our brochure.

<sup>6</sup> Payment thresholds apply to some currencies, resulting in payment fee change. Applicable fee will be disclosed prior to executing the payment.

<sup>7</sup> From Friday at 21:00 until Monday at 8:00, the FX markups is 0.50%.
